You may also purchase a Bride's Bingo

This is a very inexpensive game that you can use at your Bridal Shower's. Use dry beans to cover the bingo squares. Play as many games as you can in about 5 – 10 minutes. Give a game prize to each guest that wins. You can continue playing on the same card until you have several winners instead of starting up a new game each time. This way the game moves faster and you have more "winners".
