

GUEST GIFTS

Product Description

Through the years, guests at demonstrations of Tupperware® brand products have enjoyed receiving a number of small, convenient products which are not available for sale. Consultants offer them as prizes or as special gifts.

There are a number of ways you can use them:

- as an icebreaker
- for dating
- for bringing a friend
- for bringing orders
- as a prize to use in group activities

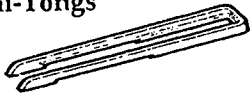

Even though the cost of these gifts is minimal, any additional expense affects your profit. Be sure to use them in ways that have the most impact.

Melon Scoop

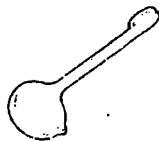

Two sizes of scoops make large or small melon balls. Lets you use up every bit of fruit.

Mini-Tongs

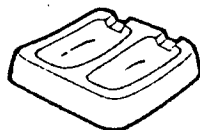

Retrieve hot toast from toaster, serve olives, pickles, lemon wedges or sugar cubes.

Mini-Ladle

A six-inch ladle, serves two tablespoons of gravy, salad dressing or sundae topping.

Spoon Rest

Holds two spoons between stirrings, keeps counter or stovetop neat and clean.

Onion/Olive Scoop

Spears or scoops cocktail onions, olives, small pickles or maraschino cherries. Slotted spoon drains liquids.

Oven/Grill Scraper

Scrape clean any of the two most common rack sizes from ovens or grills with the uniquely sized projections.

Mini-Spatula

Conserves every bit of jar contents — six inch size ideal for small jobs in the kitchen.

Spreader-Spatula

Spreads cake frosting or sandwich filling, mixes pancakes, muffins or casseroles.

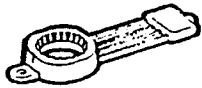

Citrus Peeler

Hook end scores orange peel, flat end lifts peel from fruit for quick, easy peeling.

Cob Knob™ Utensil

Can and Bottle Opener

One end opens resealable soft drink bottles. The other lifts tabs on 12 oz. cans.

Canape Cutter

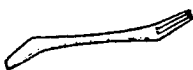

Make radish roses with the handle, make decorative cutouts with the design shapes.

Pill Container

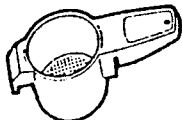

Carry or store pills and capsules in this slimline, colorful container.

Plant Care Tool

Rake house plants with the forked end of this tool, use the other end as a small spade for repotting plants.

Strainer

Use this mini-strainer with small containers. Slots in the handle and the flange on the front allow it to rest on a container rim. Strain a few tablespoons of lemon juice for a favorite recipe.

Coffee Measuring Spoon

Holds two level standard teaspoons. Use one measure for each 6 oz. (3/4 cup) water.

Canister Scoop

Keep in any canister for easy scooping. Conveniently measures about 1/2 cup.

Cheese Slicer

"Stepped" slicing blade cuts easily. Double prongs serve like a fork.

Pocket Comb

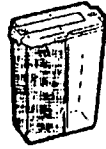

Nice for both children and adults — this 4-1/2 inch long comb fits conveniently in a pocket.

Pocket/Hand Brush

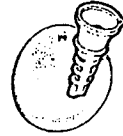

A convenient mini-brush for men and boys, or useful as a massager while shampooing.

Personal Salt and Pepper Shaker
