

Tupperware®

Doing Good, *When It's Needed Most*

AVAILABLE SEPTEMBER 12-27, 2019, OR WHILE SUPPLIES LAST

**Support relief efforts
in the Bahamas**
through a donation to
World Central Kitchen.

Tupperware Brands is proud to partner with World Central Kitchen (WCK), a global non-profit that was one of the first relief agencies to provide support in the Bahamas. Through their #ChefsforBahamas movement, they are in the process of setting up kitchens and relief areas for victims of the storm and first responders.

We are sending Tupperware® on-the-go containers to serve meals to those in need, minimizing single-use waste created and left behind, and you can also help by making a purchase with a purpose in support of their efforts.

Note: Colors may vary and substitutions of equal or greater value may occur. A \$4.50 donation for each bottle purchased will go to World Central Kitchen. Maximum donation amount of \$70,000 based on purchases in both U.S. and Canada.

Large Eco Water Bottle

36 oz./1 L.
